

## IT'S YOUR SEASON

We are entering two incredible seasons....Thanksgiving and, of course, Christmas. Each one of them will bring back memories.

As I approach another birthday soon, I am aware of seasons of life. It is foolish to think that this season is like any other that I have faced. (You don't want to see a before and after.)

There was a season of preparation. It was elementary, then junior high and high school, and finally college. I still look forward to reunions with classmates.

Following college, there was a season of expectation. What did God want to do through me? And, where would He send me? I had great expectations of being a vessel of honor. I still expect God to use me even today.

Then I became a parent as well as a pastor. It was a new season for Dora and me. Those two boys brought me through that new season.

The "empty nest" season was different, but at the same time was enjoyable. Focus changed! Another season was walked in.

And now, we call it retirement. As a minister, I guess we never really "retire." Ultimate Global Conquest began 13 years ago. Plus, I teach weekly. I'm a Senior Adult pastor, and teach on a monthly basis at Loving Hands Ministry.

What season of life are you in? God wants to use you regardless of your age. It's been said, "Don't die until you're dead." I agree with that statement.

Dr. David W. Martin

As a child, I remember singing, "Count Your Blessings," and it is still appropriate to do that. In the middle of a great dinner (and the football games) take a moment to count your blessings. See what God hath done for you.

## November 28-December 19

These are the dates for this year's campaign to provide Bibles for Poland.

Poland was released from the grip of Communism in 1991. Bishop Kaminski of Poland said, "Their culture is Christian, but they don't know the Lord. They don't know the Word of God." The Polish Fire Bible will be a game changer.

Go to our website and place your best gift for Fire Bibles. Eternal results will come.

Our greatest gift came in the person of Jesus Christ. Have you received this gift? If not, I want to introduce you to Him. Call me today. He's my friend.

## MISSIONARY HERO

In 1949, as a single missionary, Mary Orphan arrived in Greece. She began pastoring a church in Pireaus. As a supervisor, she visited churches on various Grecian islands, conducted Bible studies and children's camps. She served on the national church board. Many of her early students became pastors and officials within the Assemblies of God of Greece. She passed away in 1986.

## GLOBAL NEWS:

...There are nine countries in Europe without any missionaries.

...97% of Europeans are spiritually lost.

...There are 775 universities and colleges in Western Europe.

...Nigeria is Africa's most populated country with 544 people groups.

...There are 95 million people in Vietnam. 70% of them are under the age of 35.

We have just sent **\$1,000** for a church to be rebuilt in Epule on the east coast of the island of Efate in Vanuatu. To God be the glory. Thank you for giving to the Lord.
